**Sto is planning to pay out a higher dividend to its shareholders: ordinary dividend at previous year's level and an increased bonus proposed**

*Stühlingen, 30 March 2021* – At its meeting today, the Executive Board of STO Management SE as the personally liable partner of Sto SE & Co. KGaA has decided to propose a **dividend distribution** in the amount of EUR 31,896,720 (previous year: EUR 26,049,060) at the Annual General Meeting of Sto SE & Co. KGaA on 16 June 2021. This means that limited preference shareholders are expected to receive an ordinary dividend of EUR 0.31 as in past years, and an increased bonus of EUR 4.69 (previous year: EUR 3.78) per share. Limited ordinary shareholders are to be paid an also unchanged ordinary dividend of EUR 0.25 as well as an increased bonus of EUR 4.69 (previous year: EUR 3.78) per share. This decision is subject to approval of the Annual General Meeting.

*The audited consolidated financial statements of Sto SE & Co. KGaA for 2020 with an outlook for 2021 will be published on 29 April 2021.*
