Sto SE & Co. KGaA, Stühlingen

- **Sto SE & Co. KGaA acquires the remaining shares of VIACOR Polymer GmbH**

Stühlingen, 29 August 2023 – Sto SE & Co. KGaA, internationally one of the most significant manufacturers of products and systems for building coatings has acquired the remaining 49.9% of VIACOR Polymer GmbH, a company based in Rottenburg am Neckar, from its previous minority shareholder.

Since 2019, the Sto Group has held a 50.1% majority share in VIACOR Polymer GmbH, the company is already fully consolidated and, at the mid-point of 2023, it employed a payroll staff of 55. The company has great development expertise as well as a wide and varied portfolio of interesting polyurethane-based products, in particular the VIACOR brand of industrial floorings and coatings for multi-storey car parks. Its range also includes the PORPLASTIC brand of sports ground coatings. This enables VIACOR to supplement the range of products fielded by the Sto Group that provides the StoCretec range of high-quality floor and ground coating products.

Sto SE & Co. KGaA is a major international manufacturer of products and systems for building coatings. The company is a leader in the field of external wall insulation systems. Core products also include high-quality facade elements and render, plaster and paints for both exterior and interior use. Other focus areas include concrete restoration/floor coatings, acoustic systems and rainscreen cladding systems.
